To,
Hon'ble The Chief Justice of India
Supreme Court, New Delhi

Amritpal Singh

Sub: Complaint against the below-mentioned persons for denying entry to a practising lawyer in Supreme Court premises,

1. Col K B Marwa, Addl. Registrar, Security
2. Sunil Kumar, Police Inspector (radio call code Sigma 9 20)
3. Mahavir Singh, SI
4. Yashpal Singh, SI
5. Kusham Pal Singh, SI
6. Yadav, ASI/SI, the one physically obstructed me from entering, the most disrespectful and rude police officer

Hon'ble Lordship

My heart is bleeding with pain, nay flabbergasted, I being a young practising lawyer appearing in this Hon'ble Court denied entry to Supreme Court premises on 06.02.2019, the only reason that I being Sikh, carry Kirpan, which the security perceives it to be a threat, while the constitution guarantees the freedom of wearing and carrying kirpans neither there is any restriction on the size of Kirpan.

Every time I enter Supreme Court I am humiliated, made to feel as I am an untouchable, I am denied entry to court premises just only because I carry a Kirpan which the security denies.

ADVOCATE FOR

its length to be more than 6 inches, I had filed an application under Right to Information Act seeking size on Kirpan allowed in court premises, there is no such circular/data/information/judgement/order available that permits/regulates the size of Kirpan, whereas I have appeared multiple times in this Court, I have also appeared as party in person wearing and carrying same kirpan,

On the last occasion I was denied entry, I had addressed letter to Registrar J(IV), pointing out to him the humiliation at the hands of Security persons, but no action on the letter was taken

Today, I came to Supreme Court to assist Mr. Matthews Neelumpara, my senior in Sabrimala Case, first I was stopped at (5021) D OUT Gate, after speaking to Col. K B Marwah, I was let in, again I was stopped at D IN gate, I was denied entry again only on the instructions of K B Marwah, I was pained, flabbergasted, humiliated that without there being any circular/judgement/notice. I repeatedly called Col K B Marwah(9560711005) sent him messages, SMS (Copies are enclosed) but it was on his instructions I was denied entry, I had no option left but to address this letter to your Lordships

I am appearing as Party- in - person in SLP 1 of 2019 which is listed before your-lordships court as item 10, I have already intimated this to Col K B Marwah but yet he has denied entry to court on 08.02.2019,

I must not burden your lordships with other materials which are in support of Kirpan, as the constitution in plain and crystal-clear terms allows wearing and carrying of Kirpans, and there is no legislation/rule to regulate the size of Kirpan, and this right is fundamental right guaranteed under Part III of Constitution of

Anilpal Singh

I also plead before your lordships to ensure that young lawyers like me are not humiliated, insulted, tortured, and appropriate instructions are issued to Security department, so that not only i but other Sikhs too are allowed to wear and carry kirpan in court premises and argue SLP 1 of 2019 which is listed before Your Lordships court on 08.02.2019, item 10.

Thanking you

Yours Truly

Amritpal Singh
