The Chief Justice of Karnataka,  
High Court of Karnataka,

Dear sir ,

Off late lawyers at high court are facing a huge problem regarding posting of cases. Many lawyers are extremely disturbed that many matters for which memos are moved for posting are not being posted by the courts. There has been a complete collapse in the High Court, Judicial Administration with regard to posting of matters.

We thus request you to initiate and bring in reforms with the aid of technology to ensure that matters are posted as soon as memos are moved. Also sir, we see that the court officers have become more than the court itself and do not follow the instructions of learned judges to post memo s. There is a need to shuffle the court officers and to remove certain court officers as they are a hindrance to the posting of matters. Many of the court officers do not treat advocates courteously and are extremely rude towards lawyers. They do not answer the query of lawyers and are rough and are unapproachable. If they cannot answer the queries of the counsel who are approached to litigates they should not be given the responsibility of court officers and they must be removed.

Such court officers should be removed as they are totally unaccountable.

These issues were seriously raised during the tenure of the previous chief justice Hon'ble Mr Justice Anjaria and some Senior Judges sat to address the grievances of the bar. But however issues were not resolved. But now a time has come where the sop each change and technology should be used to ensure that all cases get equal treatment for posting and that there is no corruption in the registry.

The vigilance Department of High Court has to be serious and has to move hard against such remiss and negligence by the registry. Unfortunately the vigilance Department of High Court is not raising itself to the occasion. The registrars are responsible must also move and must relentlessly inspect the registry branches to ensure efficient functioning

We therefore request you to humbly to take steps on the above matter which are affecting the litigant public at large.

Thanking you..
