Dear Students,

Greetings. As we, along with the world are fighting against COVID-19, we have to prepare ourselves to the new-normal and ensure that we are more adaptable to the changes and embracing them positively. My heartfelt thankyou for the support to all of you. I also seek your active participation in the coming months where we will be focusing on Social distancing, Personal Hygiene, Student centric Learning, Use of More ICT tools for teaching learning, reduced face-to-face interactions at the same time ensuring quality and productivity. We are not only upgrading our IT infrastructure and implementing lecture capture systems, smart classrooms etc but also increasing concurrency in our MOODLE LMS and RF campus ERP's so you have an even better digital experience. Soon Galgotias University will have one of the most advanced e-learning systems fully ready for the post COVID world.
