EVENTS

# NLIU POLICY CASE COMPETITION

## ABOUT THE COMPETITION

The Policy Case Competition provides an avenue to students to come up with creative solutions to contemporary legal, economic or socio-political issues. Students get the opportunity to showcase their critical and analytical skills, and test their problem-solving capabilities before a panel of industry experts. The theme for the Competition is '[Regulating Cyberbullying](#).'

Despite the rampant cases of cyberbullying, India does not have any dedicated legislation to address this issue. In this light, we believe that it is important for the student community of law schools to engage in this discourse and come up with potential solutions to address this issue.

## HOW TO PARTICIPATE

This is one of a kind competition and thus it is advised that participants acquaint themselves with the rules and format of the competition. No additional preparation is required before the registrations close on April 08, 2021. The candidates if they wish, may start researching on regulations surrounding Cyber Bullying.

[Click here for the Rules and Structure of the Competition.](#)

The main problem statement of the competition will be shared to registered email addresses. Participants have to then submit a written submission with their policy answers to the problem statement. The best submissions will then be chosen to give a presentation before a distinguished panel.

# TÊTE-À-TÊTE DEBATE

IN COLLABORATION WITH

JUS CULTURA

## ABOUT THE DEBATE COMPETITION

The tête-à-tête debate is going to be one on one debate conducted in collaboration with the Debating Society, Jus Cultura. The broad themes of the motion of the debate will be from the current updates in the world of technology and law.

The participants will participate in a knockout preliminary round on the basis of which they will advance to Semi Final and Final rounds.

## HOW TO PARTICIPATE

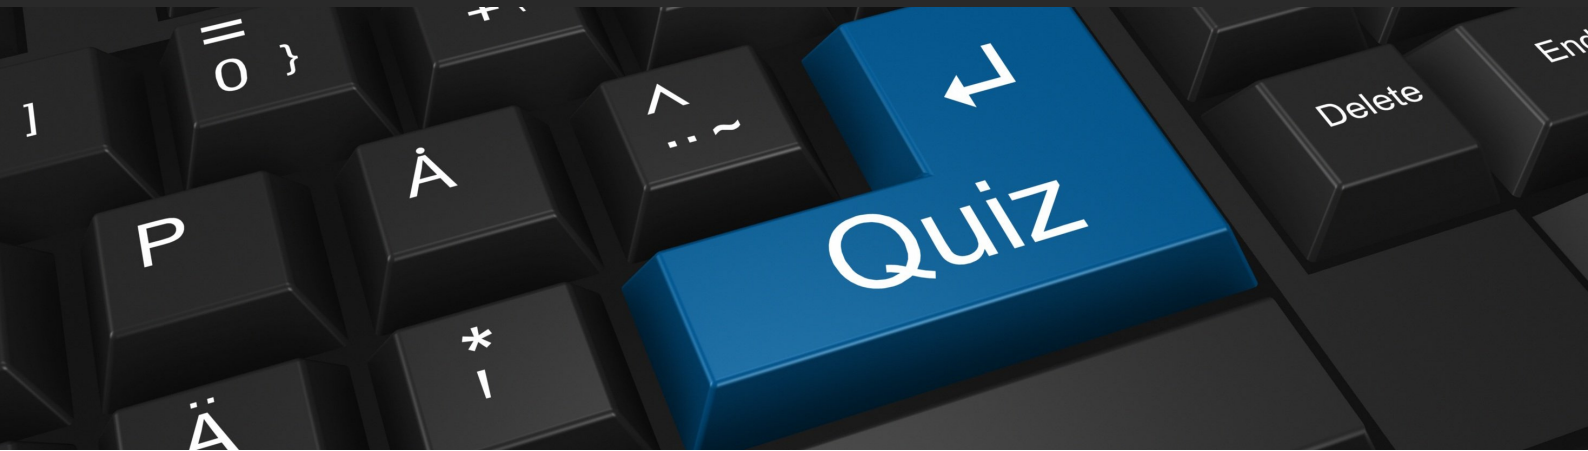

Register on our Tectonic Registration Form along with other events. We will be reaching out to you with further updates on the registered email address.
