## **ABOUT THE CONFERENCE**

Adopted on 26th November 1949 by the Constituent Assembly with Dr. Rajendra Prasad as its President, the Indian Constitution is a document that accommodates and responds to the demands and aspirations of millions of people belonging to diverse faiths, socio-economic backgrounds, and ideologies. Dr. BR Ambedkar, the Chairman of Drafting Committee, is considered as the chief architect of the Indian Constitution which provides a comprehensive and vibrant framework to guide and govern a diverse country like India, keeping in view social, cultural and religious diversity and at the same time it establishes the three main organs i.e. legislature, executive and judiciary, defining their powers, demarcating their responsibilities and regulating the inter-se relationship. It inter alia lays down the basic structure of governance and the relationship between the government and the people. Thus, we have the world's lengthiest constitution for the world's largest democracy

We, the members of IILM Law School, join our nation in celebrating the Samvidhan Diwas also known as Constitution Day on 26th November 2021. To mark this occasion, we are conducting two days International Conference on “Electoral Integrity and the Constitution of India” wherein we engage with various issues relating to constitutional democracy in India and to celebrate this we proudly invites papers from the Academicians, Judicial Officers, Researchers, Professionals, Practitioners, Students of law, commerce and management, and other stakeholders on the emerging issues and related areas on the theme as stated above.
