

## Submission Guidelines and Procedure: -

- We prefer submissions that do not exceed 1,500 words in length. However, the Magazine is flexible on the word count depending on the quality of the submission.
- All submissions to the Magazine should be original and should not be simultaneously considered by any other publication.
- Each submission will be reviewed by one or more editors of the Magazine who retain their absolute discretion in determining whether to accept a submission and, if accepted, whether the submission requires revisions.
- Show the love. No sexist/racist/queerphobic/casteist/ableist content.
- Submissions must be uploaded on [this Dropbox link](#). Authors must include a brief biographical snippet (in no more than two lines). This information should include their institutional affiliation and corresponding email address.
- We accept anonymous submissions. However, please indicate your pen name and affiliation (e.g., law student at Jindal Global Law School). You need not include any additional biographical information if you choose to make an anonymous submission.
