which is Venomous and inflammatory.**

Sir /Madam,

I **Ashutosh J. Dubey (Bombay High Court)** This is to bring to your notice that aforesaid issues have come to my notice from an **Indian Comedian named Vir Das.**

It has been observed that aforesaid issues are Wilfully spelling inciting and a derogatory statement against India and accusing India of being responsible for the worshipping women is just show-off and the maim intention is to gangrape women.

It has been observed that aforesaid issues are wilfully spelling inciting and a derogatory statement against the current Prime Minister of India is the biggest threat to Union Of India that he did fraud regarding the PM Care Funds and he is not able to get information regarding the same.

Wherever the constitution of India itself says RTI or Right to Information Act is a fundamental right and is an aspect of Article 19 (1)(a) of the Indian Constitution.

The statement attempts to project that India is the biggest threat to an Indian Democracy, which is baseless and it appears that it is a statement given only to create an atmosphere of fear and hatred.

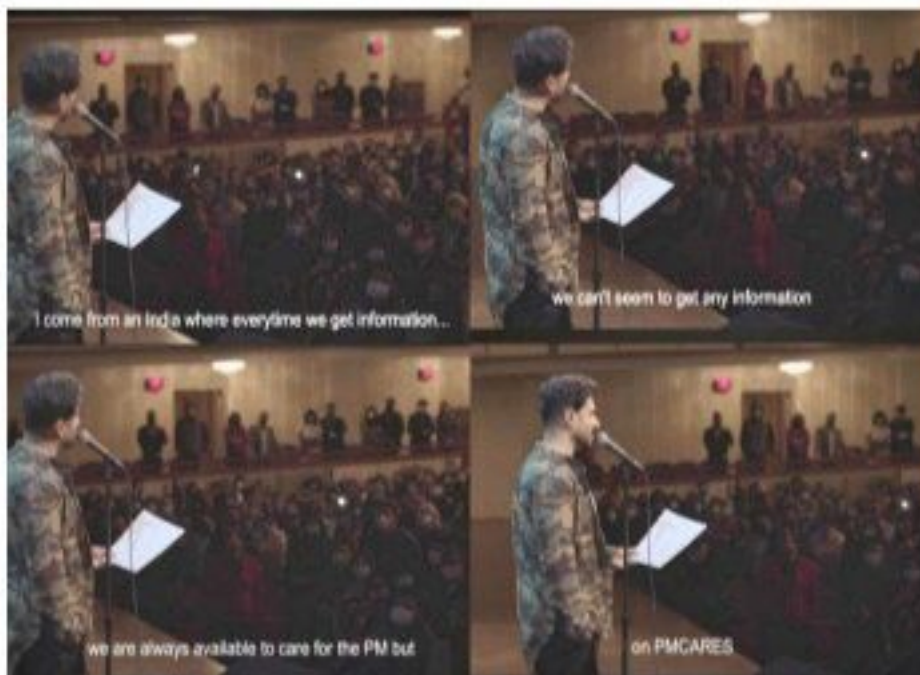

Moreover, the said Indian various other controversies which provoke violence and might impose a threat to the law and order situation in current disastrous circumstances.
