RESOLUTION

In an emergent meeting of the Executive Committee (Via video conferencing) held on 05.01.2022 the following resolution was passed unanimously:

“Resolved that the Delh High Court Bar Association unequivocally and in the strongest terms condemns the malicious, mischevious and reprehensible act of creating, developing and hosting of the App ‘Bulli Bai’ allowing the users to participate in a false auction of several respectable ladies.

The said act not only tantamounts to commission of grave criminal offences but also targets and brings disrepute to the female citizenry.

Resolved further that the Delhi High Court Bar Association shall address a communication to the Commissioner of Police, Delhi and demand an immediate registration of FIR, and efficient, expeditious investigation thereafter, so that all persons found guilty of having committed the dastardly crime are punished in accordance with law.
