Subject: Intimation of strike notice due to salaries not being credited on time since beginning of this financial year.

Respected sir,

It is to inform you formally in writing that entire staff of NCLT Mumbai bench is facing extreme hardship due to not receiving our salaries on time, and this has been verbally acknowledged to your good office and Hon'ble members however this persistent issue has not been resolved till date and your response over scarcity of funds is continued since the beginning of this financial year having no permanent solutions.

It is absolutely pathetic that MCA has lend a deaf ear to the basic necessities of out sourced and contractual employees to compel them to face. the hardships since last three months it becomes routine that salaries not get cleared on time for wants of funds in view of that we are giving your good office to proceed on bench strike from 10:00 am tom i.e. 10.01.2025 Friday, We have not received our salary for the month of Dec 2024, every time we approach your good office we get reply that we have not received the funds from MCA on time for releasing the salaries till date due to which we all are facing hardships and our landlords are threatening

us to vacate properties and even our EMI's are lapsing and recovery agents our chasing us and penalties are being levied on us by the EMI companies, we don't have money to pay our children's school fees, purchase households groceries and even medication for our parents who are totally dependent on us, being the sole earning source of income of the family we are under immense pressure.

Given the above hardships it is again requested either release our salary by today, or we are forced to call for a strike, this advance notice have been served to you for necessary actions.

Yours faithfully,

All Contractual & Outsourced Staff.
