

**Law Firm
Ready**

THE ASPIRE PROGRAM

August 2025

The first years of law school can feel like being thrown into deep water without a life jacket. **This program is that life jacket.**

Everyone talks about moots, internships, research, and CVs.
But no one actually teaches you how to start.
That's where we come in.

Cohort Start Date:
30th August 2025

Registration Deadline:
25th August 2025

What's Inside the *ASPIRE COHORT?*

INTERNSHIP INBOX:

Everything You Wish You Had Before Starting

Learn how to be internship-ready, even without prior experience. Be equipped with tools, hacks, and mindset shifts for making the most of every internship. Understand what actually happens in most law internships. How to say “I don’t know” professionally.

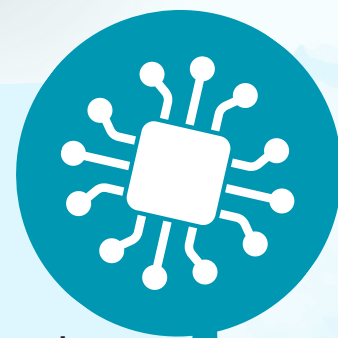

RESEARCH 101:

How to Not Google Like a Civilian

How to find the right judgment, case comment, or argument without losing your mind, exposure to free databases, search terms, how to read research.

TECH-SAVVY:

Basic Tech Every Young Law Student Needs

Get hands-on exposure to key apps, software, and digital habits. Explore how to use AI tools (beyond just ChatGPT) to research, draft, and streamline your work.

LEARNING TO READ IT RIGHT:

How to read a bare act?

To help law students stop feeling lost while reading judgments, statutes, and legal texts and instead develop a reader's eye for structure, logic, and relevance.

LAW, LOGIC & THE FINE ART OF THINKING STRAIGHT:

Law Isn't Just About Reading It's How You Think. Learn how to reason, not just read and spot faulty arguments.

LEGAL COMPETITIONS 101:

Try It, Don't Fear It

The Law Competitions Sampler - Moots, mediations, and more, come taste-test law school's best formats (without the pressure to perform).

SAY IT RIGHT:

CVs, Cover Letters & Emails That Work

Learn the structure and dos/don'ts of a solid CV and cover letter. Practice writing clear, respectful and impactful professional emails.
