

PULER PARVARISH SCHEME POLICY

With Love, For Their Future

People United for Law, Education and Rehabilitation (PULER) is a student-run initiative founded and nurtured by the students of the National Law Institute University, Bhopal. Our journey began in the small village of Mendora, just near our university, where we started working closely with the Mendora Government Primary School.

Thrice a week, every week, members of PULER visit the school to teach children from Class 1 to Class 5, using creative and engaging methods to help them understand core subjects, improve their reading and writing skills, and develop critical thinking abilities. But our work doesn't stop at academics; we also focus on building the children's self-confidence, social skills, and sense of joy and curiosity.

At PULER, we believe that education is more than a curriculum; it is care, consistency, and compassion. Over time, our role in the children's lives has grown from that of just teachers to that of mentors, friends, and extended family. We have celebrated their little wins, stood beside them in moments of struggle, and most importantly, promised to walk alongside them even after they leave the school gates.

As our mission grows, so does our dream. And today, we take a humble step in that direction by extending the **PULER Parvarish Scheme** to all those who believe in the power of education and the joy of giving. Whether you are a friend, a mentor, a compassionate stranger, or someone who simply wishes to help, we welcome you into the PULER family.

Under this scheme, we invite individuals from all walks of life to sponsor the education of our beloved children beyond Class 5. While we currently fund the education of the children who top the 5th class examinations, many bright and eager students are forced to step away from

their studies due to circumstances beyond their control. It is not a lack of ambition that holds them back; it is a lack of means.

After completing their primary education at the Mendora Government School, students join **Sharda Vihar School, Bhopal**, a private institution that offers them a more robust academic foundation. The **annual cost of education ranges from ₹26,000 to ₹30,000** (details available in **Annexure I**).

Under the PULER Parvarish Scheme, we humbly seek your support to sponsor the education of children from **Class 6th to 12th (6 years)**.

You may choose to:

- **Sponsor a child's full education individually,**
- **Share the responsibility** as a group with other contributors (you may leave the responsibility of forming a group of contributors to us), or
- **Contribute annually or periodically**, as per your capacity and preference (see **Annexure II** for the undertaking format).

Each contribution, no matter how small, will help keep a child in school and bring them closer to a future they once only dreamed of.

We understand that the needs are many and the resources are limited. That is why PULER will conduct **objective assessments** based on the previous year's academic performance and other factors, to create a **meritorious pool of eligible students**. Scholarships will be awarded from this pool. The results of these assessments may be shared with contributors to help them better understand the journey of the child they are supporting.

This is not a call for charity, it is a call for **Parvarish**. A call for compassion, consistency, and connection. We ask you to stand by a child not just as a donor, but as a supporter, a guide, and a quiet strength, someone who says through their actions, *"I believe in you."*

You don't need to have been a part of PULER to believe in its spirit. The doors of this family are open to anyone who carries hope in their heart and a willingness to make a difference.

Join us. Because no child should have to choose between dreams and dues.

Join us. Because Parvarish is not just about support, it's about family.

Join us. Because PULER is, and always will be, a family.

Contributions of the Donor

- (i) Academic Support
- (ii) Financial Support

Duties of PULER

- (i) Monthly Progress Report
- (ii) Proper utilisation of Funds

With folded hands and open hearts,

Team PULER

ANNEXURE II

UNDERTAKING

Date:

I/We, _____, residing at _____, hereby undertake to contribute ₹ _____ (Rupees _____ only) towards the education of Mr./Ms. _____, a student of Class _____, who has been admitted to _____ (Name & Address of School).

I/We understand and wholeheartedly accept the responsibilities outlined under the PULER Parvarish Scheme administered by People United for Law, Education and Rehabilitation (PULER), National Law Institute University, Bhopal.

In particular, I/we undertake to:

- Make the agreed annual payment of ₹ _____ for academic year _____, as per school fee requirements, directly to PULER or the school, with proper documentation (fee receipts, statements).
- Maintain my/our contribution for the whole academic year/ whole duration of the student's schooling under the scheme (ideally until Class 12, subject to mutual agreement).
- Support the student's holistic development through encouragement, correspondence, and optional mentoring, in alignment with PULER's program guidelines.

- Acknowledge PULER's authority in the selection and monitoring process of the student and compliance in fee disbursement.
- Permit PULER to collect and share periodic academic performance updates (examination results, feedback reports) for accountability purposes.

I/We affirm that the contribution is voluntary and made with full understanding of its purpose to ensure uninterrupted education for the designated student under the PULER Parvarish Scheme.
