PRESS RELEASE

FOR IMMEDIATE RELEASE

Kashmir Virtual Traffic Court Disposes more than 2 Lakh Challans and Recovers Fine of more than Rupees 7 Crores in just 14 months.

Srinagar,[17-11-2025]:

The Court of the **Special Mobile Magistrate (Traffic), Srinagar** presided over by **Mr. Touseef Ahmad Magray** has achieved a **record milestone in virtual traffic challan disposal and fine recovery**, demonstrating its firm commitment to enhancing road safety, enforcing traffic regulations, and ensuring swift judicial processing.

From **September 2024 to 17th November 2025** (a period of 14 months approx.), the court has:

- **Disposed of a total of 2,10,117 challans**, marking one of the highest disposal figures recorded in the district's traffic enforcement history.
- **Recovered fines amounting to ₹7,07,06,850** reflecting an unprecedented level of compliance and successful adjudication.

This accomplishment underscores the court's dedication to **efficient case management, timely disposal**, and **strengthened coordination with traffic enforcement agencies**, ensuring that violators are held accountable and that road discipline is improved across Kashmir.

Speaking on the achievement, the **Special Mobile Magistrate (Traffic) Srinagar Mr. Touseef Ahmad Magray** emphasized that the results were made possible through the sustained efforts of the judicial staff, traffic police, and increased public awareness regarding traffic rules and payment of fines through Online Mode.

The Special Mobile Magistrate (Traffic), Srinagar extends gratitude to the citizens for their cooperation and urges continued adherence to traffic laws to ensure safe commuting for all.
