# COURSE STRUCTURE AND SCHEDULES

- This course is systematically divided into **21 modules**, with **each module covered in a dedicated interactive session**.
- In every session, experienced faculty will thoroughly explain the relevant statutory provisions and impart practical skills by **instructing drafting of applications** under the specific Orders and Sections of that module.
- If any module cannot be completed within the scheduled class, **an additional session will be arranged to ensure full coverage** and mastery of the topic.
- In case a participant is unable to attend a live class, **recordings of all sessions will be made available**, enabling you to learn at your convenience without missing any content.
- To complete your practical training, **the course concludes with a Virtual Mock Court Simulation of a civil dispute**, allowing you to observe real courtroom practices.

## N.B-

Exact dates and timings of each session will be announced in the dedicated Course WhatsApp Group well in advance.

Occasionally, a session's date or time may need to be rescheduled due to unforeseen circumstances or speaker commitments; any such change will be promptly notified in the group with maximum prior notice
