In pursuant to the order dated 28.10.2025, the Interpreter of this Court has taken up the task of transcribing and translating the contents of the C.D's. involved in this case. However, the order has been passed on the condition to pay necessary charges.

2. It is learnt from the Interpreter that it is a humongous task and it takes much time and energy of at least one Interpreter and a Typist for nearly 3 to 4 months to complete the same. Since the entire time of one Interpreter and the involvement of a Typist is also required and the additional cost is also involved in preparing the copies, the charges for transcription and translation is fixed at a sum of Rs.10,00,000/- (Rupees Ten Lakhs) which is payable by the plaintiff. In normal circumstances and in a suit filed by the plaintiff, it is the plaintiff who has to do the above work and file the documents along with his plaint. As the engagement of official Interpreter is needed in view of the extraneous circumstances and as mentioned in the earlier order dated 28.10.2025, it is obligatory on the part of the plaintiff to pay the cost of the job done.

3. The Interpreter has to complete the transcription and translation of the contents of the C.D's before the 3rd week of March, 2026. The cost of Rs.10,00,000/- is required to be paid by the plaintiff to the account of ***Chief Justice Relief Fund, Madras High Court***, on or before 12.03.2026.
