

SUPREME COURT OF INDIA

(Admn. General Branch)

F.No. A-G-212/14/3/2023-SCA(G)-Part(3)

Date: 11.02.2026

CIRCULAR

It has been observed that some of the building users are in the habit of chewing pan masala/gutka, tobacco etc. and spitting the residue in the wall corners, washbasins, drinking water facilities etc. This habit results in water blockage and risk of infections, besides putting other building users to inconvenience.

It is, therefore, impressed upon all concerned not to engage in spitting of pan masala/gutka, tobacco etc. in the premises and cooperate in keeping the premises clean and tidy.
