

DO LAW SCHOOL RIGHT

Starting law school? Let's get you ready.

A 3 part live webinar series where current NLUD students tell you everything you actually need to know- before you step foot on campus

20-22 APRIL 2026

LIMITED SLOTS AVAILABLE

1 HOUR PER SESSION

Law school is nothing like what you expect. Most first-years spend months just figuring out how things work. We're here to give you that headstart before day one.

WHAT WE COVER ACROSS THE SESSIONS

Intro to Law School

What it really looks like- subjects, workload, reading culture, and the non-academic side nobody tells you about

Skills and Preparation

What to build before you arrive: reading habits, writing argumentation, and how to hit the ground running.

Internships, Moots and Culture

The hidden curriculum- legal career paths, moot courts, and how to build a profile from year one

Open Q&A

Bring your questions- anything goes. Walk away with a personal preparation roadmap.

WALK AWAY KNOWING HOW TO

- Enter college with realistic expectations**

- Avoid the most common first-year mistakes**

- Start building your legal profile early**

- Understand different career legal paths**

WHY HEAR IT FROM US?

- Current law students - recent experiences, no sugarcoating
- Honest and relatable- peer mentorship, not a lecture
- Up-to-date knowledge Current culture, not outdated advice
