AMANDEEP KUMAR Vs. BATALA DI RAJNEETI AND ORS.

Present: Sh. Harinder Deep Singh Bains, Sh. Jasdeep Singh Dhillon, Himmat Singh Bajwa and Abhay Singh Mann, Advocates for the plaintiff.

1. Suit received by way of entrustment. It be checked and registered. Along-with the suit, an application for interim injunction under Order XXXIX Rule 1 and 2 of Civil Procedure Code, 1908, has been filed, which is supported with an affidavit.

2. Precisely, in the interim injunction application, it is contended that plaintiff is lawyer by profession practicing at Hon'ble High Court of Punjab & Haryana and Supreme Court, and political figure in Punjab under the Indian National Congress. The plaintiff is recognized by large section of public in Punjab, India and Punjabi *diaspora*. His reputation and public credibility are important to his political career. He enjoys a gentleman appearance with good public conduct. The plaintiff is fully conscious that his political actions, speeches, policies and public conduct are subject to fair public criticism and legitimate political disagreements, but the plaintiff is aggrieved by fabrication of his visual representation through artificial intelligence and its publication in a manner falsely portraying the plaintiff in a body, dress and appearance, which he never adopted, posed for or consented too. Defendant no. 1 operates /controls a facebook page under the name "*Batale di Rajneeti*", defendant no. 2 operates/controls a facebook page under the name of "*Kachi laan* " and defendant No. 3 operates/controls a facebook page under the name of '*Thanedar uncle* ' having substantial public reach with 2.2K followers, 1.1K followers and 11 k followers respectively. These pages publish videos, reels and other content accessible to public at large. These pages also contain content favourable to present MLA from Batala namely Aman Sher Singh @ Sherry Kalsi

belongs to Aam Aadmi Party (Ruling party in Punjab). Recently, plaintiff came across highly objectionable videos and reels wherein plaintiff's recognizable face and appearance has been digitally manipulated through Artificial Intelligence shared on the said facebook pages. The artificial content is calculated to ridicule, humiliate the plaintiff's character in order to malign his position. The material went to huge public excess reaching approximately to 178 K, 180K and 47.8 K views and public reactions. Every share of impugned content exposes the fabricated representation to entire new audience. The plaintiff challenges the AI Generated content linked to the following links:-

<https://www.facebook.com/share/v/1DiPnwVApT/?mibextid=wwXIfr>

3. It is contended that due to publishing of aforesaid AI Generated fake content from the referred facebook pages, irreparable loss is being caused to the plaintiff and also the plaintiff has strong prima facie case and balance of convenience, in his favour which necessitates the grant of ad-interim exparte interim injunction putting restraint over defendant no. 1 to 3 from further publishing the fabricated and morphed AI Generated content representing the plaintiff on any social media platform and direction to defendant No. 4 from taking down the impugned pages or disable public access to the AI Generated

content.

4. Ld. Counsel for the applicant/plaintiff argues that the applicant/plaintiff who is known as Amandeep Jaintipura is front runner for the elections of Members of Legislative Assembly under Indian National Congress Party, from Batala, constituency of Punjab in 2027 and Mr. Sherry Kalsi is the current MLA from the ruling party i.e. Aam Aadmi Party, from the said constituency and the Social India Platform referred contains defamatory, falsely scripted AI Generated content calculated to malign the image of the plaintiff-applicant with content glorifying the image of current MLA from Batala is causing irreparable loss to the applicant-plaintiff and his image, for benefiting the ruling political party. The scripted AI Generated content brands the applicant-plaintiff as drug-dealer, anti-social element and somewhere as a dancer with a woman gestures and actions, which is against the truth and it strikes at the very fundamental right of the plaintiff with regard to dignified public life. It is argued that it is not the case of healthy and fair criticism, rather it is a cheap politics which uses the technology in uncontroller, unchecked and irresponsible manner. Therefore, there is strong case of prima facie case, irreparable loss and balance of convenience in favour of the applicant-plaintiff.

5. Heard and perused the record.

6. Ld. Counsel for the plaintiff places on record pen-drive containing digital content, apparently AI Generated scripted videos depicting one Amandeep Jaintipura who is stated to be the plaintiff Amandeep Kumar Budhwar from Village Jaintipura, Amritsar, Punjab, in a negative character, for larger public view. The apparently AI Generated content shared from facebook page “Batale Di Rajneeti”, under the link <https://www.facebook.com/share/v/1Vsx1SFVZm/?mibextid=wwXlfr>, shared four weeks ago, depicts Amandeep Jaintipura as middleman for settling the rape cases. The video depicts apparent AI

version of the conversation between two persons, with visible and relatable appearances, i.e. two AI Generated persons projecting as Guri and Aman Jaintipura wherein Guri informs Aman Jaintipura that he wants to settle the cases of rape against him and Aman Jaintipura suggests the name of Mr. Partap Bajwa, a Congress Leader from Punjab for the purpose, but Guri says that the Government is being run by Aam Aadmi Party and then it is suggested in the video that Aam Aadmi Party does not indulge in such illegal acts. There is also mention of MLA Sherry Kalsi, in a positive tone against the person namely Amandeep Jaintipura, stated to be plaintiff. Further Amandeep Jaintipur is shown to be suggesting that they will paint the Aam Aadmi Party Black, leveling the allegation of settling the rape cases in Rs. 5 Crore falsely.

7. This court has verified the said video link mentioned by the plaintiff from the mobile of the Judgment Writer/attached to this Court, which substantiated the content contained in the pen drive. Other content which further substantiated by the other video links given by the plaintiff, mentioned in this order, show the apparent AI Generated scripted videos painting one person namely Amandeep Jaintipua, negative. The said pages appears to have political agenda which is beyond the healthy public criticism and apparently maligns the image of an individual without verified facts, knowingly. This is quite serious act done in a very uncontrolled casual manner, which may adversely affect the health of our democracy and a process of manufacturing of public consent and ruling party is responsible for controlling such acts. But, apparently to the contrary, AI Generated scripted videos contains the politically calculated material, in favour of the ruling party in Punjab itself, against the plaintiff who is stated to be from opposition political party. Thus, there is prima facie case and irreparable loss and balance of convenience in favour of the plaintiff.

9. In view of the aforesaid, the interim injunction is granted

against the defendant No. 1 to 3 directing them to restrain from further disseminating, publishing or uploading AI Generated content involving the plaintiff including the content in questions i.e. following links, till the next date of hearing.

1. Thanedar uncle
