ORDER

Heard both sides in detail. Writ Petition (Crl.) is admitted.

2. The grievance advanced by the learned counsel for the petitioner in particular, as stated in 'Ground A' in the Writ Petition is confined to non-compliance of Sections 15A and 15B of the Kerala Abkari Act, 1 of 1077. According to the petitioner, the above provisions impose a mandatory statutory prohibition against the sale, service and consumption of liquor by persons below 23 years of age, and a corresponding enforceable duty upon the respondents to secure such prohibition; the admitted pervasive service of liquor to underage persons in licensed premises constitutes a dereliction of that statutory duty. Addressing the recent incidents showing that persons below 18 years of age caused fatal accidents, and motor vehicle mishap after consuming alcohol, taking advantage of the easy supply and availability of liquor to them without any restriction, ignoring the statutory restrictions, this Writ Petition

would require detailed hearing. That apart, it is high time for the legislatures to consider appropriate amendments in the statutes which deal with the 'juveniles and child in conflict' with law to reduce age to 16 years, taking note of the present trend showing sufficient maturity by children when they reach the age of 16. This aspect also to be appropriately addressed.

In view of the above, the 3rd respondent is specifically directed to file a statement disclosing the directions issued to implement the statutory mandates of Sections 15A and 15B of the Kerala Abkari Act and also with possible suggestions otherwise how the same can be implemented, with a view to save the public from danger.
