Microfinance is now the prime engine of growth

We attended MGFLs analyst meet hosted by its senior management team (Mr. VP Nandakumar- MD & CEO, Ms. Sumitha Nandan- Executive director, Ms. Bindhu, CFO and Mr. Raju Narayanan – Gold Business head). We came back positive from the meeting. The management sounded confident of achieving its guidance of 20% cagr in consolidate AUM over the next few years (largely aided by higher growth in Non gold business) with a sustainable RoE of 20%. As part of the diversification strategy, non gold AUM share in overall portfolio has further improved in Q4FY23 (45-46%) from ~42% in Q3, and with relatively higher growth in that portfolio, its share will reach 50% in FY24. We have increased our FY24/25 earnings estimates by 5%/6% respectively to factor in higher growth in non-gold segments. We estimate a 16% CAGR in MGFL's AUM to deliver a 20% CAGR in earnings over FY23-FY25E. We believe, with optimal product mix along with improving asset quality and expansion in the MFI business, MGFL should be able to improve their RoA/RoE to 4.5%/19% by FY25E from 4.1%/16.9% in FY22, respectively. Hence Maintain our BUY rating on the stock with revised price target of Rs160 (Rs155 earlier).

Key takeaways

- Mr. Nandakumar could seek an extension from the RBI once his current tenure ends on 31st March 2024. Meanwhile, Dr. Sumitha Nandan (Mr. Nandkumar's daughter), will have sufficient time to prepare for succession.
- Demand for gold loan from the bottom the pyramid customers is picking up. Expect the gold loan to grow at 6-8% in FY24 and 10-12% in FY25.
- The gold loan book at less than 12% yields has completely run down. The lowest interest rate now on gold loans is 12% and forms ~5% of the portfolio
- MGFL's subsidiary, Asirvad MicroFinance AUM has crossed Rs100bn, implying strong ~25% QoQ growth. Large part of growth in the MFI book has come from new customer acquisitions as the company has not increased the ticket size for MFI loans.
- MSME/ CV/ housing to grow at a strong pace in FY24/25 while showing improvement in asset quality. We expect the combined share to increase to 22-24% by FY25 from ~16% currently.
- MGFL plans to infuse ~Rs2.5b into its MFI subsidiary in FY24. It is now searching for a strategic investor for the MFI business to raise equity growth capital of \$100-125m. The company is yet to decide on the separate listing of its MFI business.

Valuation & View

As we highlighted in our report "Diversification strategy to play out" dated 28 Nov 2022 <u>Click here</u>, the traction in the non-gold business continue to pick up, making up for the moderate growth in gold loan vertical. We expect non gold share in profits to bounce back over FY23-25E and estimate it to contribute ~50% to its overall earnings in-line with the share in AUM. As the company has been a very small player in Housing/ MSME and CV segment, it has yet to demonstrate its execution capabilities, hence we will remain watchful of the asset quality in these segments. MGFL is trading at attractive valuation of 0.9x/ 0.8x FY24E/ FY25E BV. Maintain our BUY rating on the stock with revised price target of Rs160 (Rs155 earlier)

Investors are advised to refer disclosures made at the end of the research report.

Takeaways from the meet

Succession Plan

- Dr. Sumitha Nandan daughter of V.P. Nandakumar was recently appointed as an additional director and is actively involved in the business and is getting trained for succession.
- Mr. Nandakumar could seek an extension from the RBI once his current tenure ends on 31st March 2024. Meanwhile, Dr. Sumitha Nandan, will have sufficient time to prepare for succession.

Gold Business

- Demand for gold loan from the bottom the pyramid customers is picking up. Expect the gold loan to grow at 6-8% in FY24 and 10-12% in FY25.
- Small ticket customers (Less than Rs100,000 ticket size) continue to prefer NBFCs over banks for their faster turn around time and streamlined processes.
- The gold loan book at less than 12% yields has completely run down. The lowest interest rate now on gold loans is 12% and forms ~5% of the portfolio.
- Blended gold loan yields for the company stood at 21%. Incremental borrowing cost of bank terms loans is 8.5-8.75%.
- Around 47% gold AUM has Avg. ticket size (ATS) of less than Rs100,000 and 28% of gold AUM has ATS of greater than Rs300,000.

Microfinance

- MGFL's subsidiary, Asirvad MicroFinance AUM has crossed Rs100bn, implying strong ~25% QoQ growth. Large part of growth in the MFI book has come from new customer acquisitions as the company has not increased the ticket size for MFI loans, with the maximum ticket size of Rs70,000 and ATS of Rs30,000. The MFI loan book is expected to see a ~25-30% CAGR and RoE of 25% for medium term.
- The recent spread deregulation allowing for risk-based pricing, and the recent Court order in Andhra Pradesh quashing the jurisdiction of state governments to govern the RBI-regulated MFIs augurs well for the business.
- Strong AUM growth in MFI is on account of increased utilization/productivity of branches that were opened before Covid and were largely dormant during the pandemic.
- MGFL plans to infuse ~Rs2.5b into its MFI subsidiary in FY24. It is now searching for a strategic investor for the MFI business to raise equity growth capital of \$100-125m. The company is yet to decide on the separate listing of its MFI business.

MSME/ Personal Loan/ CV/ Affordable housing

- MSME: Crossed Rs20bn during this year with very good asset quality and yield of ~18%. The average ticket size is Rs600,000 and a large part of it is against collateral, either residential or commercial. The bounce rates in the MSME segment is low at ~5%. The GNPA ratio for the MSME segment is 0.5% and this segment is likely to grow by 75% next year.
- Commercial vehicle: CV AUM to grow to ~Rs23b by Mar 23 and expects this segment to grow by 70-80% in FY24. CV GNPA is ~3% and it is in line with the industry even as the asset quality is improving. Current RoA is 1.5% and is expected to improve to 2.5%/3.5% by FY24/FY25, driven by improvements in operating efficiency and growth in the size of the loan book.
- Affordable housing: AUM of the affordable housing finance segment has already crossed ~Rs10b. Guided for a 20% AUM CAGR in this segment. Difficulty in selling acquired property led to higher NPAs (5%+). The asset quality to improving as it is able to liquidate repossessed properties. The company expects the GNPA level in affordable housing to decline to 2% from 5% currently.

DISCLOSURES/APPENDIX

I. ANALYST CERTIFICATION

I, Pradeep Agrawal, Hena Vora; hereby certify that (1) views expressed in this research report accurately reflect my/our personal views about any or all of the subject securities or issuers referred to in this research report, (2) no part of my/our compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report by Systematix Shares and Stocks (India) Limited (SSSIL) or its group/associate companies, (3) reasonable care is taken to achieve and maintain independence and objectivity in making any recommendations.

Disclosure of Interest Statement	Update
Analyst holding in the stock	No
Served as an officer, director or employee	No

I. ISSUER SPECIFIC REGULATORY DISCLOSURES, unless specifically mentioned in point no. 9 below:

1. The research analyst(s), SSSIL, associates or relatives do not have any financial interest in the company(ies) covered in this report.

- 2. The research analyst(s), SSSIL, associates or relatives collectively do not hold more than 1% of the securities of the company(ies) covered in this report as of the end of the month immediately preceding the distribution of the research report.
- 3. The research analyst(s), SSSIL, associates or relatives did not have any other material conflict of interest at the time of publication of this research report.
- 4. The research analyst, SSSIL and its associates have not received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in this report in the past twelve months.
- 5. The research analyst, SSSIL or its associates have not managed or co-managed a private or public offering of securities for the company(ies) covered in this report in the previous twelve months.
- 6. SSSIL or its associates have not received compensation or other benefits from the company(ies) covered in this report or from any third party in connection with this research report.
- 7. The research analyst has not served as an officer, director or employee of the company(ies) covered in this research report.
- 8. The research analyst and SSSIL have not been engaged in market making activity for the company(ies) covered in this research report.

9. Details of SSSIL, research analyst and its associates pertaining to the companies covered in this research report:

Sr. No.	Particulars	Yes / No.
1	Whether compensation was received from the company(ies) covered in the research report in the past 12 months for investment banking transaction by SSSIL.	No
2	Whether research analyst, SSSIL or its associates and relatives collectively hold more than 1% of the company(ies) covered in the research report.	No
3	Whether compensation has been received by SSSIL or its associates from the company(ies) covered in the research report.	No
4	Whether SSSIL or its affiliates have managed or co-managed a private or public offering of securities for the company(ies) covered in the research report in the previous twelve months.	No
5	Whether research analyst, SSSIL or associates have received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in the research report in the last twelve months.	No

10. There is no material disciplinary action taken by any regulatory authority that impacts the equity research analysis activities.

STOCK RATINGS

BUY (B): The stock's total return is expected to exceed 15% over the next 12 months.
 HOLD (H): The stock's total return is expected to be within -15% to +15% over the next 12 months.
 SELL (S): The stock's total return is expected to give negative returns of more than 15% over the next 12 months.
 NOT RATED (NR): The analyst has no recommendation on the stock under review.

INDUSTRY VIEWS

ATTRACTIVE (AT): Fundamentals/valuations of the sector are expected to be attractive over the next 12-18 months. NEUTRAL (NL): Fundamentals/valuations of the sector are expected to neither improve nor deteriorate over the next 12-18 months. CAUTIOUS (CS): Fundamentals/valuations of the sector are expected to deteriorate over the next 12-18 months.

II. DISCLAIMER

The information and opinions contained herein have been compiled or arrived at based on the information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy completeness or correctness.

This document is for information purposes only. This report is based on information that we consider reliable; we do not represent that it is accurate or complete and one should exercise due caution while acting on it. Description of any company(ies) or its/their securities mentioned herein are not complete and this document is not and should not be construed as an offer or solicitation of an offer to buy or sell any securities or other financial instruments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. All opinions, projections and estimates constitute the judgment of the author as on the date of the report and these, plus any other information contained in the report, are subject to change without notice. Prices and availability of financial instruments are also subject to change without notice. This report is intended for distribution to institutional investors.

This report is not directed to or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject to SSSIL or its affiliates to any registration or licensing requirement within such jurisdiction. If this report is inadvertently sent or has reached any individual in such country, especially USA, the same may be ignored and brought to the attention of the sender. Neither this document nor any copy of it may be taken or transmitted into the United States (to U.S. persons), Canada, or Japan or distributed, directly or indirectly, in the United States or Canada or distributed or redistributed in Japan or to any resident thereof. Any unauthorized use, duplication,

redistribution or disclosure of this report including, but not limited to, redistribution by electronic mail, posting of the report on a website or page, and/or providing to a third party a link, is prohibited by law and will result in prosecution. The information contained in the report is intended solely for the recipient and may not be further distributed by the recipient to any third party.

SSSIL generally prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, SSSIL generally prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that they cover. Our salespeople, traders, and other professionals or affiliates may provide oral or written market commentary or trading strategies to our clients that reflect opinions that are contrary to the opinions expressed herein. Our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. The views expressed in this research report reflect the personal views of the analyst(s) about the subject securities or issues and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report. The compensation of the analyst who prepared this document is determined exclusively by SSSIL; however, compensation may relate to the revenues of the Systematix Group as a whole, of which investment banking, sales and trading are a part. Research analysts and sales persons of SSSIL may provide important inputs to its affiliated company(ies).

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.
