## GAIL (India)

### Final tariff order enhances optimism

PNGRB has come out with final integrated tariff order for GAIL at Rs58.61/mmbtu, around 30% higher to the current tariff and 8.8% higher to our current assumption of Rs53.9/mmbtu. New tariff order is effective from 1st April 2023. Further, we attended the interaction meet with the GAIL's top management and key highlights are:

#### Transmission:

**Tariff Revision:** PNGRB raised integrated tariff to Rs58.61/mmbtu from an average of Rs45/mmbtu in 9MFY23 which is effective from 1st April 2023. Currently nearly 90% of volume (~96mmscmd) is flowing independently while 10% (~11mmscmd) is flowing through multiple pipeline. Though, the company would study the order and may challenge the assumptions in coming weeks, if needed.

**Volume guidance:** The company has guided for a volume of 120mmscmd in FY24E with a 5% CAGR over the next few years. The company expects new tariff order to translate into ~Rs18 bn addition to EBITDA at existing volume (~107mmscmd). Incremental demand is expected to come from CGDs (+4mmscmd), power and fertilisers.

**Lesser allocation of APM for compressors:** Further, they are receiving 0.65mmscmd of APM gas for the compressors, down from 1.55mmscmd within a year which is likely to see an annual impact of Rs5 bn at current pricing scenario. Nonetheless, chances of getting completely out of allocation are also very high in near term which can have further negative impact on profitability.

#### Timeline for upcoming pipelines:

- 1) Mumbai Jharsuguda (1755kms) Capex Rs78 bn to be commissioned by Jun'24
- 2) Srikakulam Angul (690 kms) to be commissioned by Jul'23
- 3) Dhamra Haldia (240 kms) to be commissioned by Jun'23
- Kochi-Koottanad-Mangalore-Bangalore (887 kms) to be commissioned by Nov'24 (Orders awarded for half the length of phase 2 while rest will be awarded soon).
- 5) North-East Pipeline (1650 kms GAIL 20% stake) Capex Rs90 bn To be commissioned by Mar'24.

These are the major pipelines under construction. No major pipeline is in the drawing board. KKMBL pipeline current tariff is Rs43-44/mmbtu which is likely to more than double when final tariff order comes up. Normal course of tariff revision is 3 years.

Investors are advised to refer disclosures made at the end of the research report.

#### Gas Marketing Business:

**Guidance:** Guided for 100mmscmd of volume in FY24E with 5% CAGR. Expecting Rs35 bn EBITDA from this segment.

**Update on Gazprom contract:** GAIL would be receiving 2-2 cargoes each in Mar'23 and Apr'23. Clarity on full volume is yet to be emerged. As per earlier contract, GAIL is entitled to receive nearly 4 cargoes every month (2.5mmtpa).

**Update on US LNG and contract with Shell:** GAIL has signed to sell 0.5mmtpa of US LNG with Shell for 5 years which is nearly 8 cargoes a year. Margins likely to remain strong but no guidance. Out of ~21mmscmd of US gas, GAIL has entered for nearly 11mmscmd while 10mmscmd is still open. Most of the contracts are based on Henry Hub only. All volume from US will be available for India and final sale would depend on demand.

**Risk to LNG on higher domestic volume:** GAIL doesn't see any risk to LNG volume as most of the volume is under long-term contracts. RIL is expected to come out with auction for 6mmscmd in near term but rest is expected only at end of the year.

#### Petrochemical segment:

**Long term supply to petchem:** GAIL is looking to assign a long-term contracted supply of gas to the petrochemical division which would enhance visibility to earnings. Nearly 4.5mmscmd is the current supply. At current price environment, Petrochemical division is likely to report closer to break-even at EBITDA. Utilisation has already ramped up closer to 100%.

#### Timeline of Petrochemical project:

- 1) PDH-PP plant at Usar: GAIL is investing Rs78 bn for 500KTA of Propane Dehydrogenation and Polypropylene plant at Usar, Maharashtra which is likely to commission by mid-CY25. The company is looking to import ethane for the project.
- 2) Pata upgradation: GAIL is looking to add 50KTA at Pata with a total investment of Rs13 bn, likely to commission by end-CY25. The company is also looking to import Ethane to change its feedstock from gas. GAIL has signed MoU with Shell.
- **3)** Isopropyl Alcohol (IPA) at Usar: GAIL is adding 50KTA IPA capacity at Usar at an investment of Rs5 bn, likely to commission by end-CY25.
- **4) JBF Acquisition:** GAIL would be investing Rs21bn initially with an additional investment of Rs19 bn. The company will have a capacity of 1.2mmtpa which is likely to commission by H1CY25.

#### LHC Business:

Lower APM gas price is likely to benefit in FY24E while volatility in propane prices would continue to be a challenge. With US\$1/mmbtu decrease in gas price, profitability goes up by Rs4,500/mt. While, with every Rs1000/mt increase in LPG prices, GAIL gets an additional Rs0.9-1.0 bn.

**Dabhol Breakwater:** Not in FY23 but looks to complete by March 24. Currently utilization stood at 2.9mmtpa and additional 2.1mmtpa would be available post breakwater.

**Dhamra LNG Terminal:** Dhamra LNG terminal to be commission within couple of months as pipeline is also almost ready. 1.5mmtpa is already booked and expect volume offtake from few fertiliser companies.

**GAIL's CGD and GAIL Gas:** GAIL's own volume is currently stands at 0.22mmscmd and expect 20% growth while GAIL gas's volume is likely to increase from current 5.5mmscmd to 6.5mmscmd in next two years. The company is looking to add 100/200 new CNG stations over the next couple of years.

**Our View:** We revise our tariff assumption from Rs54/mmbtu to Rs58.6/mmbtu based on final tariff order. Therefore, we raise our EBITDA estimates by 5.8% for both FY24E and FY25E. However, we keep our transmission volume estimate conservatively at 115/121mmscmd for FY24E/FY25E which poses upside risk based on the company's guidance. Further, we keep our trading EBITDA estimates unchanged at Rs33/35 bn for FY24E/FY25E. Overall, we change our TP to Rs123 from earlier Rs120 (adjusting to Rs4/share of special dividend). We keep BUY on the stock.

#### DISCLOSURES/APPENDIX

#### I. ANALYST CERTIFICATION

I, Sudeep Anand, Prathmesh Kamath; hereby certify that (1) views expressed in this research report accurately reflect my/our personal views about any or all of the subject securities or issuers referred to in this research report, (2) no part of my/our compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report by Systematix Shares and Stocks (India) Limited (SSSIL) or its group/associate companies, (3) reasonable care is taken to achieve and maintain independence and objectivity in making any recommendations.

Disclosure of Interest Statement	Update
Analyst holding in the stock	No
Served as an officer, director or employee	No

II. ISSUER SPECIFIC REGULATORY DISCLOSURES, unless specifically mentioned in point no. 9 below:

1. The research analyst(s), SSSIL, associates or relatives do not have any financial interest in the company(ies) covered in this report.

- 2. The research analyst(s), SSSIL, associates or relatives collectively do not hold more than 1% of the securities of the company(ies) covered in this report as of the end of the month immediately preceding the distribution of the research report.
- 3. The research analyst(s), SSSIL, associates or relatives did not have any other material conflict of interest at the time of publication of this research report.
- 4. The research analyst, SSSIL and its associates have not received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in this report in the past twelve months.
- 5. The research analyst, SSSIL or its associates have not managed or co-managed a private or public offering of securities for the company(ies) covered in this report in the previous twelve months.
- 6. SSSIL or its associates have not received compensation or other benefits from the company(ies) covered in this report or from any third party in connection with this research report.
- 7. The research analyst has not served as an officer, director or employee of the company(ies) covered in this research report.
- 8. The research analyst and SSSIL have not been engaged in market making activity for the company(ies) covered in this research report.
- 9. Details of SSSIL, research analyst and its associates pertaining to the companies covered in this research report:

Sr. No.	Particulars	Yes / No.
1	Whether compensation was received from the company(ies) covered in the research report in the past 12 months for investment banking transaction by SSSIL.	No
2	Whether research analyst, SSSIL or its associates and relatives collectively hold more than 1% of the company(ies) covered in the research report.	No
3	Whether compensation has been received by SSSIL or its associates from the company(ies) covered in the research report.	No
4	Whether SSSIL or its affiliates have managed or co-managed a private or public offering of securities for the company(ies) covered in the research report in the previous twelve months.	No
5	Whether research analyst, SSSIL or associates have received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in the research report in the last twelve months.	No

10. There is no material disciplinary action taken by any regulatory authority that impacts the equity research analysis activities.

#### STOCK RATINGS

**BUY (B):** The stock's total return is expected to exceed 15% over the next 12 months. **HOLD (H):** The stock's total return is expected to be within -15% to +15% over the next 12 months. **SELL (S):** The stock's total return is expected to give negative returns of more than 15% over the next 12 months. **NOT RATED (NR):** The analyst has no recommendation on the stock under review.

#### INDUSTRY VIEWS

ATTRACTIVE (AT): Fundamentals/valuations of the sector are expected to be attractive over the next 12-18 months. **NEUTRAL (NL)**: Fundamentals/valuations of the sector are expected to neither improve nor deteriorate over the next 12-18 months. **CAUTIOUS (CS)**: Fundamentals/valuations of the sector are expected to deteriorate over the next 12-18 months.

#### III. DISCLAIMER

The information and opinions contained herein have been compiled or arrived at based on the information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy completeness or correctness.

This document is for information purposes only. This report is based on information that we consider reliable; we do not represent that it is accurate or complete and one should exercise due caution while acting on it. Description of any company(ies) or its/their securities mentioned herein are not complete and this document is not and should not be construed as an offer or solicitation of an offer to buy or sell any securities or other financial instruments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. All opinions, projections and estimates constitute the judgment of the author as on the date of the report and these, plus any other information contained in the report, are subject to change without notice. Prices and availability of financial instruments are also subject to change without notice. This report is intended for distribution to institutional investors.

This report is not directed to or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject to SSSIL or its affiliates to any registration or licensing requirement within such jurisdiction. If this report is inadvertently sent or has reached any individual in such country, especially USA, the same may be ignored and brought to the attention of the sender. Neither this document nor any copy of it may be taken or transmitted into the United States (to U.S. persons), Canada, or Japan or distributed, directly or indirectly, in the United States or Canada or distributed or redistributed in Japan or to any resident thereof. Any unauthorized use, duplication,

redistribution or disclosure of this report including, but not limited to, redistribution by electronic mail, posting of the report on a website or page, and/or providing to a third party a link, is prohibited by law and will result in prosecution. The information contained in the report is intended solely for the recipient and may not be further distributed by the recipient to any third party.

SSSIL generally prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, SSSIL generally prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that they cover. Our salespeople, traders, and other professionals or affiliates may provide oral or written market commentary or trading strategies to our clients that reflect opinions that are contrary to the opinions expressed herein. Our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. The views expressed in this research report reflect the personal views of the analyst(s) about the subject securities or issues and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report. The compensation of the analyst who prepared this document is determined exclusively by SSSIL; however, compensation may relate to the revenues of the Systematix Group as a whole, of which investment banking, sales and trading are a part. Research analysts and sales persons of SSSIL may provide important inputs to its affiliated company(ies).

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.
