### Earnings to remain under pressure

For Q3FY25, our gas sector coverage universe's EBITDA is expected to decline sharply 17% YoY (-7.9% QoQ) to Rs60.7bn largely led by lower margin for CGDs and weaker profit from GAIL owing to lower trading profit. On CGDs, IGL and MGL are expected to report a volume growth of 9%-11% YoY while Gujarat Gas's volume is estimated to remain flattish. However, lower allocation of APM gas would lead to lower gross margin despite price hikes taken during the quarter. Higher Henry Hub gas price and lower spread over Brent are likely to hurt GAIL's earnings. Reliance is expected to benefit from higher GRM, better petrochem spread and higher telecom tariff while Retail business to see a modest growth. Gulf Oil, however, is expected to report a healthy growth owing to higher volume and lower base oil price. Further, PLNG is also estimated to report healthy numbers on the back of higher volumes at Dahej. We keep RIL, GAIL, PLNG and Gulf Oil as our top picks in the sector.

**O2C to boost RIL's earnings:** The company is expected to report healthy 6.2% sequential growth in EBITDA owing to 12% jump in O2C while Jio/Retail/Upstream is expected to report an EBITDA growth of 4%/7%/2% QoQ. 38% QoQ jump in GRM and better petrochemical spread would lead to higher O2C profits. Further, the festive and wedding season is also expected to help the retail business to grow at a decent pace during the quarter. We expect JIO's ARPU to rise by 5% QoQ (13% YoY) to Rs205 in Q3FY25. Also, we expect Jio to continue to see a subscriber addition of ~6mn during the quarter which is expected to support the earnings growth. Also, we expect gas production to remain strong at ~29mmscmd which would lead to a flattish growth at upstream.

CGD's margin to contract sharply: In Q3FY25, CGDs are expected to see a sharp dip in earnings, despite higher volume, owing to de-allocation of APM gas. Further, higher spot LNG and auction price are expected to result in contraction in EBITDA/scm to Rs4.1/8.0/4.4 for IGL/MGL/Gujarat Gas. However, increased penetration in new GAs and higher CNG vehicle sales are expected to benefit the volume for these companies and expect a growth of 2.7%/1%/4.1% QoQ, respectively.

Lower trading earnings to dent GAIL's EBITDA: GAIL's EBITDA is anticipated to see a decline of 14.1% YoY/-12.3% QoQ to Rs 32.8bn owing to lower profit from the trading business due to higher HH and spot LNG price. However, both transmission and trading volume is expected to grow by 2%/4% sequentially owing to higher LNG import to 133mmscmd/100mmscmd, respectively. Petchem division is expected to see a sequential dip in profits due to higher input cost while higher LPG prices to benefit LHC segment's earnings.

**Valuation and Outlook:** Oil & Gas sector has significantly underperformed the Nifty index by 550bps over the past three months following 330bps underperformance in last quarter. This is largely driven by 9% dip in RIL while most of the companies under coverage has seen a decline of 6%-24% in the last three months. However, we expect spot LNG price to decline sharply post winter which would benefit gas utility companies. We keep RIL, GAIL, PLNG and Gulf Oil as our preferred pick.

#### II. DISCLAIMER

The information and opinions contained herein have been compiled or arrived at based on the information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy completeness or correctness.

This document is for information purposes only. This report is based on information that we consider reliable; we do not represent that it is accurate or complete and one should exercise due caution while acting on it. Description of any company(ies) or its/their securities mentioned herein are not complete and this document is not and should not be construed as an offer or solicitation of an offer to buy or sell any securities or other financial instruments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. All opinions, projections and estimates constitute the judgment of the author as on the date of the report and these, plus any other information contained in the report, are subject to change without notice. Prices and availability of financial instruments are also subject to change without notice. This report is intended for distribution to institutional investors.

This report is not directed to or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject to SSSIL or its affiliates to any registration or licensing requirement within such jurisdiction. If this report is inadvertently sent or has reached any individual in such country, especially USA, the same may be ignored and brought to the attention of the sender. Neither this document nor any copy of it may be taken or transmitted into the United States (to U.S. persons), Canada, or Japan or distributed, directly or indirectly, in the United States or Canada or distributed or redistributed in Japan or to any resident thereof. Any unauthorized use, duplication,

redistribution or disclosure of this report including, but not limited to, redistribution by electronic mail, posting of the report on a website or page, and/or providing to a third party a link, is prohibited by law and will result in prosecution. The information contained in the report is intended solely for the recipient and may not be further distributed by the recipient to any

SSSIL generally prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, SSSIL generally prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that they cover. Our salespeople, traders, and other professionals or affiliates may provide oral or written market commentary or trading strategies to our clients that reflect opinions that are contrary to the opinions expressed herein. Our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. The views expressed in this research report reflect the personal views of the analyst(s) about the subject securities or issues and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report. The compensation of the analyst who prepared this document is determined exclusively by SSSIL; however, compensation may relate to the revenues of the Systematix Group as a whole, of which investment banking, sales and trading are a part. Research analysts and sales persons of SSSIL may provide important inputs to its affiliated company(ies).

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.

Registration granted by SEBI to SSSIL and certification from NISM to the analyst in no way guarantee performance of SSSIL or to provide any assurance of returns to investors.
