

Software | Q3FY25 Result Update

CMP: Rs.10,550 | TP: Rs 11,400 | Upside 8%

Result Miss, but strong license wins support healthy outlook

- OFSS reported rev. decline of 6% YoY in INR terms at Rs. 17.1bn (DE at Rs. 17.7bn, and 3% decline). Miss was due to weaker than expected Implementation Rev, down 10.8% YoY, due to adverse seasonality and likely delay in milestone completion. EBIT margin lowered to 40.6% (DE: 44.7%), down 595bps YoY due to weak growth and wage-hike impact and travel costs (up 12%/20% YoY).
- For Q3, Cloud & License bounced back with strong deal wins, that stood at ~\$33mn, up 52% QoQ and up 16% on YTD basis at \$87mn.
- Despite the miss in Q3, a recovery in implementation is expected to drive high single-digit growth in FY'25, while ongoing license wins would ensure visibility. We lower earnings estm by 5.8%/4.4%/3.8% for FY25E/FY26E/FY27E and maintain 'Accumulate' rating with DCFbased TP of Rs. 11,400 (implies ~33x FY27E PER).

Strong License Wins; No. of notable wins in developed markets

OFSS signed new licenses worth \$33mn with 21 new deal wins (40 product modules) across product offerings. Management reflected several marquee wins across the globe and strong uptick for OFSS' products on cloud deployment, while reiterating a strong demand pipeline across products. About 12 of 21 new deal wins were from advanced economies (5 in North America, 5 in Europe and 1 in Japan), highlighting presence in competitive markets and healthy deal sizes.

Implementation lowers; AMC sees a modest uptick

Implementation Revenue declined 12.5% YoY (-10% QoQ) and stood at Rs.7.5bn, accounting for 48% of Product rev. Apart from seasonality, it appears that revenues were affected by a delay in milestone completion. We expect implementation revenue to bounce back from Q4 onwards, given healthy license wins. AMC revenues grew by 5.3% YoY (up 3% QoQ) and stood at Rs. 5.3bn.

Operating parameters remain robust

Management highlighted that on YoY basis, Q3'24 was a landmark quarter of record license wins (\$49.5mn), implying a base effect playing out. OPM margins saw 2-month impact of wage hikes (effective Sept'24) in employee cost (up 12% YoY), as well as higher travel cost (up 8% YoY). Management expects these costs to normalize, leading to margin expansion Q4 onwards.

Change in Estimates

FY25E/FY26E/FY27E: Noting the miss in Q3, we lower our Revenue growth estimates by 2.8%/4.7%/3.6%. Lower revenue growth is expected to affect operating performance, thereby impacting OPM by 144bps/47bps/105bps. Overall, EPS estimates have been lowered by 5.8%/4.4%/3.8%.

What to Expect Next Quarter

For Q4, we expect a growth of 4.2% QoQ, with improved cloud and license signings and past deal ramp-up. Post wage-hike impact in Q3 and continued cost efficiencies, OPM to see expansion by 352bps QoQ. Overall, PAT to grow by 12.4% QoQ.

Valuation

Software companies' performance can be a bit volatile on an annualized basis and thus it is better to value them on DCF basis to capture their true potential in the near-to-medium term. We have factored in a Revenue CAGR of 11.5% over FY24-40E (unchanged), stable EBIT margin of 46.3% (from 46.6%) and Terminal growth rate of 3%. Taking these assumptions, we arrive at TP of Rs. 11,400 per share and maintain an 'Accumulate' rating on the stock.

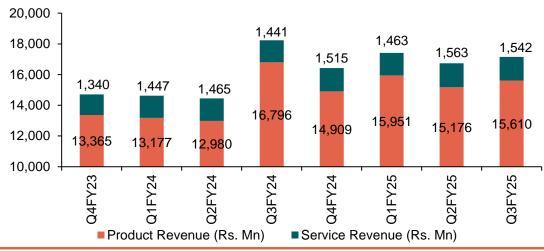

Exhibit 10: License and Cloud Fees – Quarterly trends

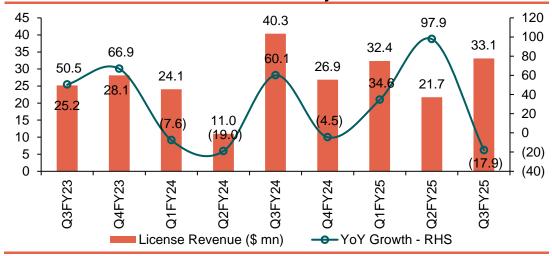

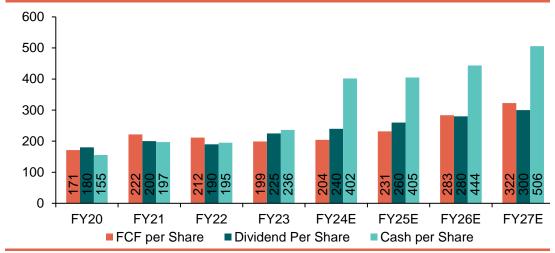

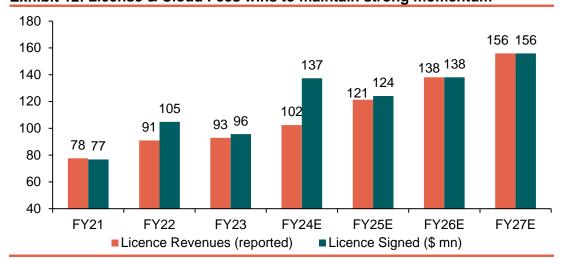

Exhibit 11: Div Payouts to remain high as robust FCF Generation continues

Source: Company, Dolat Capital

Exhibit 12: License & Cloud Fees wins to maintain strong momentum

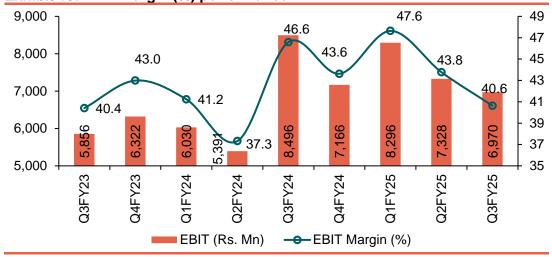

OPM to revive further as revenue picks traction.

We expect OPM to improve as the pipeline remains healthy with a good combination of Cloud and On-prem deals. We expect OFSS to register OPM of 44.1%/45.1%/ 45.2% for FY25E/26E/FY27E respectively.

Analyst(s) Certification

The research analyst(s), with respect to each issuer and its securities covered by them in this research report, certify that: All of the views expressed in this research report accurately reflect his or her or their personal views about all of the issuers and their securities; and No part of his or her or their compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report.

I. Analyst(s) and Associate (S) holding in the Stock(s): (Nil)

II. Disclaimer:

This research report has been prepared by Dolat Capital Market Private Limited. to provide information about the company(ies) and sector(s), if any, covered in the report and may be distributed by it and/or its affiliated company(ies) solely for the purpose of information of the select recipient of this report. This report and/or any part thereof, may not be duplicated in any form and/or reproduced or redistributed without the prior written consent of Dolat Capital Market Private Limited. This report has been prepared independent of the companies covered herein. Dolat Capital Market Private Limited, and its affiliated companies are part of a multi-service, integrated investment banking, brokerage and financing group. Dolat Capital Market Private Limited. and/or its affiliated company(ies) might have provided or may provide services in respect of managing offerings of securities, corporate finance, investment banking, mergers & acquisitions, financing or any other advisory services to the company(ies) covered herein. Dolat Capital Market Private Limited. and/or its affiliated company(ies) might have received or may receive compensation from the company(ies) mentioned in this report for rendering any of the above services. Research analysts and sales persons of Dolat Capital Market Private Limited. may provide important inputs to its affiliated company(ies) associated with it. While reasonable care has been taken in the preparation of this report, it does not purport to be a complete description of the securities, markets or developments referred to herein, and Dolat Capital Market Private Limited. does not warrant its accuracy or completeness. Dolat Capital Market Private Limited. may not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained in this report. This report is provided for information only and is not an investment advice and must not alone be taken as the basis for an investment decision. The investment discussed or views expressed herein may not be suitable for all investors. The user assumes the entire risk of any use made of this information. The information contained herein may be changed without notice and Dolat Capital Market Private Limited. reserves the right to make modifications and alterations to this statement as they may deem fit from time to time. Dolat Capital Market Private Limited. and its affiliated company(ies), their directors and employees may; (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions. This report is neither an offer nor solicitation of an offer to buy and/or sell any securities mentioned herein and/or not an official confirmation of any transaction. This report is not directed or intended for distribution to, or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject Dolat Capital Market Private Limited. and/or its affiliated company(ies) to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to a certain category of investors. Persons in whose possession this report may come, are required to inform themselves of and to observe such restrictions.

For U.S. persons only: This research report is a product of Dolat Capital Market Private Limited, under Marco Polo Securities 15a-6 chaperone service, which is the employer of the research analyst(s) who has prepared the research report. The research analyst(s) preparing the research report is/are resident outside the United States (U.S.) and are not associated persons of any U.S. regulated broker-dealer and therefore the analyst(s) is/are not subject to supervision by a U.S. broker-dealer, and is/are not required to satisfy the regulatory licensing requirements of FINRA or required to otherwise comply with U.S. rules or regulations regarding, among other things, communications with a subject company, public appearances and trading securities held by a research analyst account.

Research reports are intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the U.S. Securities and Exchange Act, 1934 (the Exchange Act) and interpretations thereof by U.S. Securities and Exchange Commission (SEC) in reliance on Rule 15a-6(a)(2). If the recipient of this report is not a Major Institutional Investor as specified above, then it should not act upon this report and return the same to the sender. Further, this report may not be copied, duplicated and/or transmitted onward to any U.S. person, which is not the Major Institutional Investor. In reliance on the exemption from registration provided by Rule 15a-6 of the Exchange Act and interpretations thereof by the SEC in order to conduct certain business with Major Institutional Investors, Dolat Capital Market Private Limited has entered into a chaperoning agreement with a U.S. registered broker-dealer, Marco Polo Securities Inc. ("Marco Polo"). Transactions in securities discussed in this research report should be affected through Marco Polo or another U.S. registered broker dealer.
