

# DR. G. LAKSHMIPATHY

## A LIFELONG JOURNEY OF SERVICE AND HUMANITY

Shweta Singh | The CEO Magazine

In the field of humanitarian service and public health, Dr. G. Lakshmipathy stands as a remarkable figure of commitment, compassion, and community leadership. Born on August 15, 1962, in the culturally rich city of Pondicherry, Dr. G. Lakshmipathy grew up in a modest household shaped by strong values and a deep sense of purpose. Inspired by his grandfather, a freedom fighter, he developed a respect for public service from an early age, which laid the foundation for a life devoted to the betterment of others.

### ACADEMIC EXCELLENCE & SERVICE

Dr. G. Lakshmipathy is a man of exceptional academic distinction, with unparalleled achievements. He holds two undergraduate degrees, five postgraduate degrees, and three doctorates (Ph.Ds), along with 22 postgraduate diplomas in diverse fields. Though he began his career in the corporate sector as a Senior Branch Manager at United India Insurance Company Ltd., his strong inclination toward community development led him to a new path—defined by compassion, social leadership, and humanitarian service. Currently serving as the Chairman of the Indian Red Cross Society, Pondicherry State, he has spent the last 36 years actively involved in initiatives that have improved countless lives. His efforts span healthcare, maternal and child care, disaster preparedness, first aid education, and public health awareness. Under his leadership, 23 breastfeeding rooms have been set up in health centres, creating supportive

spaces for mothers and infants in underserved areas.

### LEADERSHIP IN TIMES OF CRISIS

Dr. G. Lakshmipathy's role became especially critical during the COVID-19 pandemic, when the world faced a crisis of unprecedented scale. Rising to the occasion, he led multiple relief efforts focused on reducing human suffering. He coordinated the installation of 50 patient waiting tents across hospitals and medical facilities, helping healthcare systems manage the surge in cases. He also spearheaded blood donation drives and oversaw the large-scale distribution of hygiene kits, masks, sanitisers, and medical supplies to frontline workers and the general public.

Understanding the needs of vulnerable populations, he ensured timely delivery of food, clothing, and essential items to marginalised communities, slum areas, and daily wage earners. His hands-on involvement during this period reflected his deep empathy and commitment to inclusive welfare.

### RECOGNITION FOR A LIFE OF IMPACT

Dr. Lakshmipathy's lifelong dedication has earned him over 40 national and international accolades. Among the most notable are the Gandhi Award for Social Thinking and the Bharat Jyoti Award, both reflecting his unwavering pursuit of social justice, public health, and education.

In 2025, his work received international recognition at the Global Icon Awards held in Colombo, Sri Lanka. Representing Pondicherry, India, he was conferred the Education, Health Care, Social Impact & Humanitarian Outreach Excellence Award – India. The honour is a testament to his tireless efforts across diverse sectors and his ability to drive meaningful change at both grassroots and institutional levels.

### A LEGACY ROOTED IN PURPOSE

Even with such a decorated profile, Dr. Lakshmipathy remains humble and focused on his mission. As a human rights advocate and mentor, he continues to inspire future leaders with his commitment to justice, equity, and sustainable development.

His journey is a story of vision, humanity, and purpose. By integrating education, service, and leadership into a unified mission, he has impacted countless lives. As he continues his work in public service, he stands as a powerful example of leadership rooted in courage, empathy, and the common good.
