2025'S LEADING GLOBAL FIGURES DRIVING POSITIVE CHANGE

DR. SANJEEV KUMAR

Dr. Sanjeev Kumar is a visionary leader blending literature, law, entrepreneurship, and education.

With a D.Lit. and elite credentials from MIT, FCMA, and FCS, he has authored over 290 books and served in top corporate roles. As a Supreme Court Advocate and founder of BPA Foundation, he drives social change, legal reform, and literary excellence across India and beyond.

ER. SUDHIR KUMAR SAHU

Er. Sudhir Kumar Sahu, a distinguished professional in Engineering and Finance, has penned 22 books read in 13 countries.

A Fellow of IWRS and IAH, and Life Member of 15 engineering organizations, he has received several honors including the Rashtriya Gaurav Samman and Bharat Pratibha Samman. He was recently selected for the International Author Excellence Award and Asia's Best Writer in Stock Market.

DR. MOHAMMED ZOHEB HOSSAIN

Dr. Mohammed Zoheb Hossain, a visionary entrepreneur and philanthropist from Kolkata, transformed

Kidderpore Child's World School from a modest kindergarten into a thriving institution of 1,200+ students. With a PGDBA and honorary doctorates, he also leads successful ventures like Bismillah Enterprise and Pinnacle Suppliers. His dedication to social equity, education, and innovation exemplifies purposeful leadership and a strong commitment to community empowerment.

JOHN KIRAN E

John Kiran, Founder and CEO of Iconic Dream Focus, exemplifies visionary leadership in tech innovation. An engineer-turned-entrepreneur,

he transitioned from HSBC to launching transformative digital products like Paarambariyam and Hy U. Bootstrapping his startup in 2020, he led it through pandemic challenges to profitable growth. His ventures span Generative AI, Data Analytics and cybersecurity—shaping purposeful, experience-driven digital solutions for global impact.

DR. RAJESH LUTHRA

Dr. Rajesh Luthra, born on 5th November 1968 in Durgapur, is a seasoned manufacturing leader with

over 30 years of experience. A BTech (Hons) from REC Kurukshetra, MBA, and IIM Bangalore alumnus, he is a VLFM Graduate from CII and JAICA with expertise in Supply Chain and Operations. Currently Business Head with Victura Technologies. Earlier held key roles at Escorts and TAFE. He received an honorary doctorate 2025.

MR. SAGAR BHOITE

From humble beginnings as a rickshaw driver and mess worker, Mr. Sagar Bhoite rose to become the Managing Director

of AB Services, a 3S dealer of ESCORT KUBOTA in Pune. With 25 years of perseverance, integrity, and vision, he built a multi-crore generator business, earning national awards and acclaim for business excellence, customer trust, and meaningful contributions to social welfare and rural empowerment.

ABDUL SATTAR SAINUDEEN

Abdul Sattar Sainudeen, Founder and Director of Real English School revolutionized education, and his school became

the world's first IMS-certified school in 2005 and has won 106 international gold medals. Honored with eight national awards and an international gold medal

the 67-year-old visionary continues to innovate—most recently by submitting a groundbreaking Ph.D. thesis challenging Einstein's theory of relativity.

MR. N KANNA BRAN

We are proud to introduce Mr. Kanna Bran N, a visionary leader and Director of Janaasha Group of Companies,

currently serving as CEO of Janaasha TN Nidhi Limited and Navrang. With a background in Electronics & Instrumentation Engineering and an MBA in Business Analytics, he drives innovation across finance and electric mobility, fostering sustainable development and shaping a legacy of trust, transformation, and green technology.

DR. A. V. SRINIVASAN VENKETESAN

Dr. A.V. Srinivasan, a renowned neurologist from Chennai, has over five decades

of service in neurology through patient care, research, and education. He is the first Indian to receive the AAN's General Neurology Award (2024) and a Lifetime Achievement Award from Scientific Laurel. With 125 research papers, 40 books, and extensive charitable work, he remains a transformative figure in Indian and global neurology.

PROF. (DR.) TAPAS KUMAR SAR

Prof. (Dr) Tapas Kumar Sar, DSc, is a renowned expert in pharmacology and toxicology with over 20 years of impactful

contributions. An international patent holder and Ph.D. guide, he has led groundbreaking herbal-antibiotic research against antimicrobial resistance. Honored with the Best Doctor Award 2025, he also serves as a Bentham Ambassador, World Research Fellow, and editorial board member for reputed journals.
